## Frequently Asked Questions

### **Are spoons included with each package?**

*Absolutely. We ship one heavy duty, silver plastic spoon for each jar in the package. We want people to be able to dig right in!*

### **How early should I place my order?**

*The earlier the better. As you can imagine, during certain times of the year such as holiday season, availability on a particular day can run out. In order to get the shipping day you want, it's best to order early.*

### **What is the shelf life of the cupcake jars?**

*Our cupcake, cake and brownie jars last from 7-10 days. Refrigeration does not extend the shelf life. Our pie jars last up to 10 days without refrigeration, or 2 weeks refrigerated. All jars can be frozen for up to 6 months. If you do freeze them, please allow them to thaw before serving.*

### **What is the shelf life of Samantha's Cookies?**

*Samantha's Sugar Cookies have a 3 week shelf life. They can be frozen for up to 6 months. If you do freeze them, please allow them to fully thaw before handling as the ink can smudge during the thawing process.*

### **Why aren't packages sent to the West Coast eligible for free Ground shipping?**

*Because our products are perishable, we won't allow them to be on the road longer than 3 calendar days. Since we ship from the East Coast, we cannot get them to certain locations within 3 days using Ground shipping. Our expedited rates are extremely low however due to our volume (as much as 70% off normal published rates).*

### **Are Samantha's Sugar Cookies printed on rice paper?**

*No. Our technology allows us to print directly on the cookies. This revolutionary technology makes the branding of your cookies seamless.*

### **Are Samantha's Sugar Cookies individually wrapped?**

*Yes. Each cookie is individually wrapped.*

### **I'm having a large event and would like a large amount of Samantha's Sugar Cookies. Can I get them in larger quantities than 24?**

*Yes. We can bulk ship any amount to you to accommodate your event.*

### **What is the minimum order for customization?**

*32 jars, or 24 sugar cookies.*
